Your Digital Imaging Products (*Copier, Printers, Duplicators, Electronic White Boards, Faxes, Scanners*) and Solutions Specialists. Serving churches, non-profit organizations, private schools and small businesses, however **we serve all businesses**. We are located in the Inland Empire and we provide our services throughout Southern California. The majority of all churches, schools, non-profits organizations and businesses need some type of digital imaging equipment and solutions, and most do not like nor have the time to deal with the sales, leasing, and proposal process. **This is where we come in.**

### **Why use I.G.I.T. Consultants**

***We Save you Time! We Save you Money! We do all the Work!***

We are an **independent** copier consulting-management firm that is **vendor neutral**.

We work with **all manufacturers** of copiers, printers, duplicators and solutions.

We **evaluate** your current equipment, workflow, pricing and objectives.

We **research** and **compare** the products, so you don't have to.

We identify the **"Best In Class"** solutions at the **best price**.

We **know the industry** and we **know the sales tactics**.

**We offer Account Management Services.**

**I.G.I.T. Consultants** is committed to help improve the way you do business by reducing your expenses and enhancing your efficiency through document technologies that manage the flow of electronic and paper documents throughout your workplace. We also provide an account managing service where we manage of all your imaging equipment leases, service contracts, paperwork and issues which take a lot of your time and causing unwanted stress. **We put your interest first!**

We work with all major brands and dealers of digital imaging products: *Kyocera, Konica Minolta, Ricoh, Savin, Lanier, Canon, Sharp, Toshiba, Xerox, Riso Duplicators, Hewlett Packard, Brother, Panaboard, eBeam, EMR's, Docuware, Equittrak*, and others.

Are you ready to upgrade your current out dated digital imaging products to new cost effective technology? Is your current lease ready for renewal within the next 15 months and you are not sure what you need or the next step? Are you in a lease or service contract you are not sure if it is right for your organization? Before you renew your lease or commit to a new lease or purchase, please contact us, **it pays to call us first.**
